

Volunteer at the Pacific Museum of the Earth!

The Pacific Museum of the Earth needs organized, motivated people to help **organize our collections**, **implement displays and programming**, **staff the gift shop**, and **help maintain current displays**.

So what does volunteering get me?

Volunteers are automatically PME members! This means that you get all the benefits of membership:

- 10% discount in the gift shop
- Receive a quarterly newsletter
- Receive invitations to special museum events

Other benefits of volunteering:

- Get a chance to see the samples too valuable to display!
- Learn how a small museum operates behind the scenes
- Use your volunteer time as experience to support a job application

Call 604-822-6992 for more information or to sign up as a volunteer!
